

ANNUAL ACTIVITY REPORT

2025–2026

Rebuilding Hope In Nurturing Opportunities (RHINO)

OUR MISSION

Empowering people. Protecting nature. Building opportunities through education, livelihoods, healthcare, environmental conservation and inclusive community development through innovative programs and collaborative partnerships.

OUR VISION

A stronger Bharat where every life has the opportunity to learn, prosper, and thrive while living in harmony with nature.

Director's Message

Dear Friends, Partners, and Well-wishers,

It gives me immense pleasure to present the Annual Activity Report of Rhino Bharat Foundation for the operational year 2025. Since our incorporation on March 5, 2024, our journey has been defined by a deep commitment to empowering communities, protecting nature, and building sustainable opportunities across Assam. This past year has seen us translate our vision into impactful grassroots action through innovative programs in climate-smart agriculture, resilient aquaculture, and community healthcare.

In June 2025, we partnered with Rallis India Limited to equip 35 fish farmers in Marigaon with cutting-edge technologies like Biofloc and Integrated Farming Systems. In September, our awareness program on the System of Rice Intensification (SRI) in Raja Mayang empowered 33 traditional farmers to optimize resource efficiency and boost yields. Beyond agriculture, our collaboration with the Greater Assam Motorcycle Adventurer Club for a voluntary blood donation camp exemplified our commitment to civic responsibility and healthcare support.

None of these achievements would have been possible without the unwavering trust of our community participants, the dedication of our expert resource persons, and the strategic support of our corporate and social partners. As we look ahead, we remain focused on bridging the gap between scientific advancement and grassroots execution, fostering self-reliant rural economies that thrive in harmony with nature. Thank you for being an integral part of our mission.

Warm regards,

A handwritten signature in blue ink that reads "Pankaj Bora". The signature is fluid and cursive, with a small flourish at the end.

Mr. Pankaj Bora
Director,
Rhino Bharat Foundation

ORGANIZATIONAL OVERVIEW

Mission: Empowering people. Protecting nature. Building opportunities through education, livelihoods, healthcare, environmental conservation and inclusive community development through innovative programs and collaborative partnerships.

Vision: A stronger Bharat where every life has the opportunity to learn, prosper, and thrive while living in harmony with nature.

SUMMARY OF THE YEAR

The operational year 2025 marked a period of robust field-level expansion and multi-sectoral interventions for the Rhino Bharat Foundation. Operating from our regional base in Assam, the foundation successfully executed high-impact initiatives bridging sustainable livelihoods and critical social service. Through three major core programs, the foundation directly empowered scores of progressive farmers and mobilized vital medical resources for local healthcare systems.

PROGRAM-BY-PROGRAM ACTIVITY DESCRIPTIONS

1. Climate-Resilient Aquaculture Practices

- Date: June 22, 2025
- Location: Jaluguti Village, Marigaon District
- Partners: Rallis India Limited (A TATA Enterprise)
- Beneficiaries: 35 Progressive Fish Farmers

Objectives:

- To equip local fish farmers with adaptive methodologies to counter climate uncertainty and environmental volatility.
- To introduce cutting-edge, low-risk technologies aimed at optimizing resource efficiency.
- To maximize space and diversify household income streams through integrated ecosystems.

Measurable Outcomes:

- 35 progressive fish farmers trained in Biofloc Technology (BFT), Recirculating Aquaculture Systems (RAS), and Integrated Farming Systems (IFS).
- Comprehensive capacity building delivered on pond mechanics, selective breeding, spawn rearing, and fry/fingerling production.
- Distribution of high-quality aquaculture input kits (including RalliMin supplements) to ensure direct field implementation.

2. Awareness Program on System of Rice Intensification (SRI)

- Date: September 28, 2025
- Location: Raja Mayang, Marigaon District
- Experts: Dr. Mrinal Barman (Retd. Joint Dir. of Agriculture); Mr. Bimal Hazarika (SATRA)
- Beneficiaries: Around 33 Local Farmers

Objectives:

- To create deep awareness regarding the core water-saving and yield-maximizing principles of SRI.
- To lower input seed costs and enhance multi-fold agricultural productivity.
- To establish an expert-to-farmer dialogue channel for immediate field application.

Measurable Outcomes:

- 33 rural farmers established a baseline understanding of scientific nursery preparation, spacing, and strict water/weed management.
- Strengthened the foundation's footprint as a leading agent of local sustainable agricultural transformation.

3. Voluntary Blood Donation Camp

- Date: November 23, 2025
- Location: Rukminigaon, Guwahati
- Association: Greater Assam Motorcycle Adventurer Club
- Beneficiaries: 30 Donors & Volunteers

Objectives:

- To mobilize healthy community donors for emergency medical support.
- To foster civic responsibility and volunteerism among regional youth networks.

Measurable Outcomes:

- Successfully collected and deposited 25 units/bottles of blood to Apollo Hospital, Boragaon.
- Engaged over 30 active community members and distributed environmental plant saplings to donors.

Challenges & Lessons Learned

- Visual and Field-Based Learning: Best-practice evaluation of our community outreach highlights that on-farm demonstration-led frameworks drastically outperform purely theoretical instructions. Farmers exhibit much higher retention and willingness to adapt when guided through real-time field models and visual learning structures.
- Continuous Support Loops: Moving forward, long-term adoption requires structured follow-up support, periodic monitoring, and the establishment of local micro-examples to sustain trust and scale up technological absorption.

Statutory & Compliance Details

Rhino Bharat Foundation is duly registered and fully compliant with all statutory obligations mandated under the Ministry of Corporate Affairs, Government of India.

Statutory Metric	Official Registration Detail
Corporate Identity Number (CIN)	U88900AS2024NPL026050
Permanent Account Number (PAN)	AANCR4420K*
Tax Deduction Account Number (TAN)	SHLR05062B*
Date of Incorporation	March 5, 2024
Authority / Registry Office	Central Registration Centre, Manesar / Registrar of Companies, Assam
Registered Address	House-No-7, Garbha, Bheta Para Narayan Path, Basistha, GMC, Kamrup - 781029, Assam
